

## Family Resource Center (FRC)

The Family Resource Center is a supplemental support program created for Elwyn Early Learning Services (ELS) families and caregivers, designed to offer guidance and support with a wide array of local resources. Through the FRC, you can find city-wide resources and other information to successfully navigate community activities, special needs programs or services, parent training, and early childhood programming.

Being a caregiver, whether a parent, grandparent or guardian, is challenging and supporting a child with special needs adds another layer of complexity. Elwyn ELS Social Work Interns are available to support Preschool Early Intervention families in locating and making connections to necessary community-based resources.
