DAY

MOVING FORWARD
TOGETHER

Since 1852, Elwyn has made life better for people with developmental and behavioral health challenges through education, advocacy, and supportive programs. Help us continue to support the individuals we serve by participating in Elwyn Day on Sunday, October 10, 2021. Examples of past funding include purchasing high-tech equipment for a class at the Davidson School to create their own videos, investing in music and art therapy for our participants, and ensuring that our residents receive a gift during the holiday season. By supporting this event, you are partnering with us to help each and every individual at Elwyn to live a distinctive and meaningful life.
