The Franklin Institute welcomes guests for a free evening of educational experiences that include the museum's famous permanent exhibits (like the beloved The Giant Heart and the award-winning Your Brain), special programs and shows, and hands-on activities from Philadelphia Science Festival partner organizations.

COMMUNITY NIGHT IS BACK!!!!!!

4231 Avenue of the Republic, Philadelphia, PA 19131

At Please Touch Museum, we encourage children to play and grow through the myriad of experiences we offer. We know that play provides the foundation for basic life skills such as building relationships, cooperation, negotiation and compromise as well as providing opportunities for children to find out who they are and what they enjoy doing. Play offers an emotional outlet, develops the imagination and creativity, and cultivates problem-solving skills.

Saturday, April 21, 2018

School's out and it's time to relax, decompress and have fun with friends. Summer is the time for kids to get up, get out and grow. But for some kids, exposure to activities that stimulate the body and mind ends with the school year. In fact, research shows that kids are prone to gain more weight and fall behind in studies.

On April 21, the Y will celebrate Healthy Kids Day, our national initiative to improve the health and well-being of kids. Details for the 2018 Healthy Kids Day will be provided soon!
