Be Smart, Be Prepared, Be Safe and Remember.....

- ⊗ Don't touch matches
- ⊗ Don't touch radiators or heaters
- ⊗ Don't play with electrical cords
- ⊗ Don't play around in the kitchen
- ⊗ Don't put anything over a lamp

- ☺ Make an escape plan.
- ☺ Plan two ways out of every room.
- ☺ Choose a meeting place & Practice!
- ☺ Test smoke alarms
- ☺ Get out fast!

Follow your escape plan. Feel a door before you open it. Stay low to the floor.
Call 9-1-1 or the fire department. Stay out!

And Remember...Stop, Drop, and Roll. If your clothing catches fire, remember to stop where you are and drop to the ground. Cover your face and mouth with your hands, and roll over and over until the flames are out.

The simplest definition of A STRANGER is **“someone you do not know.”** Children need to know this definition, but they also need to know about **“safe” strangers. Safe strangers are teachers, police officers, firefighters and other adults who work with children. They might know these people only by sight, not personally.** Emphasize the importance of seeking help from these safe strangers in public places. It's never a good idea to enter the home of a stranger alone. Stay more than an arm's reach from **strangers**. If you are approached by a **stranger**, seek help immediately. If you feel you are being followed or something is not right, seek help immediately. Use the buddy system, avoid walking anywhere alone.

Low Cost Trip Idea #1-Plan A Family Day Trip to the Fire Station

The local firehouse is filled with heroes that children enjoy meeting, and a visit may be the highlight of your child's week. Most fire departments enjoy showing off their equipment and the firefighters enjoy the fact that the admiring children will be awed by the equipment that they use in their daily job of keeping the community safe. Call your local fire station to see if visits are possible and try to arrange a tour of the facility as your next family day trip. **Drop in visits are usually not encouraged.**

A successful day trip to the local fire department is a fun learning activity as the child can't help coming away without a better understanding of fire safety.

Call City of Philadelphia Fire Dept. at (215) 686-1324 to get started!!!

Picnic Anyone??

Here's some suggestions.....

Belmont Plateau-This open field off of West River Drive offers the best view of the Philly skyline. Find a spot under one of the many large, shady trees, or head over to the picnic area to make use of one of the on-site grills and tables. As an added bonus, head over to [Shofuso Japanese House and Garden](#) before or after your picnic to see what's in bloom.

Wissahickon Valley Park

There are dozens of places to picnic along the Wissahickon! You can also find several different trails to hike, fishing, and bird watching-- and the best part is, you don't have to leave city limits to do it.

This seven-acre park offers plenty of shaded areas for picnicking and great views of the boats on the Delaware River. Kids will also enjoy the nearby shaded playground.

Clark Park

This West Philly park is host to lots of fun summertime events including Shakespeare in the Park and Saturday Farmers Markets. Pack a picnic dinner and enjoy a show at the same time.

Bartram's Garden

This little gem brings some beauty to an otherwise not-so-pretty area of Philly. With summer movie nights, concerts, [free boating Saturdays](#), and [family programming](#), there's plenty of reasons to pack a picnic and visit this urban garden.
